President's Message

By Barb Giles

Here it is February already! Getting closer to Spring. Can't wait! Since we were not able to have the last two meetings because of bad weather and one of our members badly injured in a fall, I decided that we would have our FEBRUARY meeting at Lazlo's on 5900 Old Cheney Rd. instead of having the soup supper.

At this time, we have not heard what was done at Mid-Winter as far as selecting the person to run for Grand President and anything pertaining to the convention to be held in Bellingham, WA. Possibly by the time we have our meeting we will have gotten some information.

The next meeting will be March 21st at Lee's Restaurant, 1940 W Van Dorn. Hope to see you there.

Barb Giles, President
IFA Chapter #44

Valentine's Day Fun Facts

Valentine's Day is the second most popular day of the year for sending cards. Christmas is the first most popular.

Worldwide, over 50 million roses are given for Valentine's Day each year.

About 1 billion Valentine's Day cards are exchanged each year.

Approximately 27 percent of those who buy flowers on Valentine's Day are women. Only 73% are men.

The origin of Valentine's Day is traced back to the ancient Roman celebration of Lupercalia which was held on February 15. This day honored the gods Lupercus and Faunus, as well as the legendary founders of Rome, Romulus and Remus.

Cupid is said to be the symbol of valentines. Cupid is the son of Venus. Venus is the Roman god of love and beauty.

In order of popularity, Valentine's Day cards are given to teachers, children, mothers, wives, sweethearts and pets.

Richard Cadbury invented the first Valentine's Day candy box in the late 1800s.
