President's Message

By Barb Giles

Welcome 2020! Where did 2019 go? Seems like each year passes by faster than we realize.

I hope everyone had a very Merry Christmas and here's wishing you all a Happy New Year.

Our December meeting was cancelled due to the accident that Jim Winney had that put him in the hospital that day. He tried the quick

way down some steps to the basement, which didn't come out too good. He spent some time in the hospital and has also been in rehab for physical therapy. Also, Donna Atkins was in the hospital (she is home recovering) so I decided the rest of us wouldn't accomplish much, meeting wise, so we will have our meeting this month.

Dave and Cheryl Goehring were back from Houston, TX. for a couple weeks and they found time to stop by one evening. They are doing well and like their new home in Texas. We had a nice visit. Was good to see them.

Our January meeting will be the 18th at Lazlo's, 5900 Old Cheney Rd. Look forward to seeing you then. Again, Happy New Year!!!

New Year's Resolutions

Another year has come to an end, and another has just begun. So, now that the new year is here, what resolutions are you going to make? Making New Year's resolutions is a time-honored tradition all around the world. We all hope for a better future--especially when the year we're leaving behind has been a tough one.

According to research on the topic, about 60 percent of us admit that we make New Year's resolutions but only about 8 percent of us are successful in achieving them. Regardless of whether we achieved our previous resolutions, most of us go right ahead and make a new set of resolutions -- hoping for the best.

Here are a few more interesting facts about New Year's resolutions:

Saving money is one of the top five New Year's resolutions and also in the top five for most commonly failed.

More than half of respondents said they fail their resolution before January 31. Women make health-focused resolutions while men pledge to find a new job and lay off the alcohol.
